17TH V20 MINISTERIAL DIALOGUE:
DEVELOPMENT AND DELIVERY IN A MULTIPOLAR WORLD

12 October 2026 (Monday) | 11:30 AM - 1:00 PM (ICT)
Level 1, Ballroom 3, Queen Sirikit National Convention Center, Bangkok, Thailand

---

Prime Minister, distinguished participants, the theme of this meeting is particularly relevant to my country, Sudan.

Sudan faces the combined consequences of armed conflict, displacement, economic disruption, and damaged infrastructure, compounded by floods, droughts, and threats to food security. Sudan's experience demonstrates that vulnerability extends beyond income levels to encompass conflict, climate exposure, debt distress, and restricted access to development finance.

Sudan, therefore, welcomes the V20's Vulnerability to Viability Compact and highlights five priorities: one, equitable access to finance; two, comprehensive debt solutions; three, effective delivery; four, timely liquidity support; and five, integrated recovery and climate resilience.

Excellencies, Sudan's recovery is not merely a humanitarian imperative. It is a development and resilience priority.

We call for an international financial architecture that recognizes multidimensional vulnerability, restores fiscal space, and delivers accessible financing where it is most needed. Despite immense challenges, Sudan remains committed to recovery, reconstruction, and sustainable development.

DR. GIBRIL IBARHIM
Finance Minister
Republic of the Sudan
