17TH V20 MINISTERIAL DIALOGUE:
DEVELOPMENT AND DELIVERY IN A MULTIPOLAR WORLD

12 October 2026 (Monday) | 11:30 AM - 1:00 PM (ICT)
Level 1, Ballroom 3, Queen Sirikit National Convention Center, Bangkok, Thailand

---

Distinguished ministers, Excellencies, and colleagues, it's a pleasure to join this important dialogue on behalf of His Royal Highness Prince Abdulaziz bin Talal Al Saud, President of Arab Gulf Program for Development AGFUND and our Chief Executive Officer.

At AGFUND, we believe that climate vulnerability is not only an environmental challenge; it's also a development and financial challenge, particularly for vulnerable communities, women, youth, and small businesses.

For over four decades, AGFUND has worked closely with international organizations and development partners to advance financial inclusion, poverty reduction, and sustainable development.

Distinguished colleagues, we are honored to participate in the high-level roundtable between the Arab Coordination Group and the leadership of V20 in Vienna last June. The engagement reaffirms AGFUND's commitment to supporting climate-vulnerable countries through inclusive development, sustainable financing, and stronger partnership.

Today, we are pleased to build on the outcomes of Vienna and reaffirm our strong commitment to the objective of the Vulnerable to Viability Compact.

Our message is simple: climate finance must reach people who need it most.

MR. ADBDULAZIZ SALEH AL SUBAIL
Chief Finance and Sustainability Officer
Arab Gulf Programme for Development (AGFUND)
