17TH V20 MINISTERIAL DIALOGUE:
DEVELOPMENT AND DELIVERY IN A MULTIPOLAR WORLD

12 October 2026 (Monday) | 11:30 AM - 1:00 PM (ICT)
Level 1, Ballroom 3, Queen Sirikit National Convention Center, Bangkok, Thailand

---

Chair, ministers, colleagues, the Vulnerability to Viability Compact focuses on what matters most: turning ambition into delivery. This means finance that is affordable, responsive to shocks, and grounded on country priorities. Multilateral development banks are focused on this.

The European Investment Bank will be chairing the group of Heads of Multilateral Development Banks during 2027, and we will make sure to put this agenda at the forefront of our work. And we are already working with the U.K. in the context of the G20 Presidency of the U.K. so that we are well aligned on these topics.

We have had a rich discussion, so I will not go into particular details, but my message is we have heard your call. The European Investment Bank stands ready to work with the V20 and its partners to turn ambition into investment and investment into results.

Thank you.
